Warranty does not apply to any product which has been altered, subjected to misuse, negligence, or accident.

Venue Industries' obligation under this warranty is limited to credit for, replacement of, or repair of the defective item. Venue Industries will not assume liability charges for unauthorized field repairs or labor. In no case shall liability under this warranty exceed the original purchase price of the defective item. If repair by Venue is required or requested, then the customer is responsible for shipping items back to Venue and scheduling shipping for return of repaired items (may not apply to freight damage claims).

To make a claim under this warranty, contact Venue Industries for written Return Authorization. DO NOT return merchandise without written authorization. Contact the Venue Industries for a Return Authorization. R.A.s are numbered and specify the method of transportation and any applicable freight costs. After inspection of the returned item, if it is established by Venue Industries to be defective under terms of the warranty, we will repair or replace the item(s), or issue appropriate credit. All Venue Industries products are manufactured to order through a "made to order" manufacturing system. This means items cannot be returned to stock. A standard handling/salvage charge of 50% of invoice will apply on all returned merchandise. A minimum handling/salvage charge of 25% of invoice will apply if 100% of returned merchandise can be applied to other orders in process at time of return.

General Warranty Information

This warranty is extended for the period after the date of purchase by the original purchaser and is extended only to the original purchaser of the product and may be enforced only by such purchaser. This warranty is not transferable and expires if the product is resold or otherwise transferred. To ensure durability and longevity of the product, it is important to clean and care for the merchandise. Refer to our Care & Maintenance Manual. Warranty may be voided if proper procedures are not followed.

This warranty does not apply to any product which has been altered by anyone other than a Venue Industries representative or has been damaged due to improper installation, set-up, care, maintenance, or repair. Venue Industries offers no warranties on vinyl's, fabrics, laminates, foam, or any other purchased components other than those guarantees expressed by the material manufacturer.

Venue Industries will, at its option, repair or replace, the product covered by this warranty, or a portion of the product that is found to be defective in material or workmanship during the warranty period. Once warranty claim is approved, product repaired or replaced by Venue Industries is subject to standard production process. Repair or replacement can take up to 6 weeks during standard production lead times(8-10 weeks). Estimated lead time will be provided during the warranty claim process, but a hard ship date cannot be provided for warranty repair or replacement. Any repair or replacement under this warranty shall not extend the warranty period. The above warranty is exclusive and in lieu of all other express warranties, whether oral or written, expressed or implied. No warranty of merchantability or fitness for a particular purpose shall apply.

Venue Industries shall not, under any circumstances or under any legal theory, be liable to the purchaser or any other person for special, incidental, or consequential damages of any nature including without limitation damages to, or loss of use of property, damages for loss of profits or revenues or any other damages arising from the original purchase. Venue Industries' liability will in no event exceed the purchase price of the product. Product Changes: Venue Industries reserves the right to make changes at any time without notice, to prices, models, materials, colors, and specifications. Any defect found by Venue Industries while under these warranties, will be repaired or replaced, at our option. These warranties do not apply to any product that has been altered, or subjected to misuse, negligence, or accident.

Shipping Damage Claims (Please refer to Receiving/Inspection Procedure Guidelines)

Shipping will be made via Venue Industries preferred carrier(s) unless customer carrier preference is indicated on purchase order. If the carrier indicated does not serve Venue Industries point of shipment, we will make shipment by most practical way. Truckload shipments are available via private carriers, or rail systems, at less than commercial carrier rates. Contact Venue Industries for quotations. Venue Industries is not responsible for damage in transit, or delays in transit. Variances in order quantities, specifications or damages must be communicated to Venue Industries within 2 days of receipt of order. Any shortage, or sign of damage, should be noted on the freight bill before accepting delivery.

If damage is discovered after delivery, purchasers should notify the carrier at once to request inspection and claim instructions. Concealed damage claims must be filed within 2 days of receipt of shipment. Refusal to accept goods from the carrier does not relieve purchasers of responsibility for payment and filing claims in the prescribed manner. All goods become the property of the purchaser upon delivery to the carrier. Reporting of variances or damages past 1 week of receiving the items significantly reduces the chances of a successful freight claim. Shipping damages reported after 30 days of receipt will not be covered under warranty.
