TULUM

VEN500-4-169

The Tulum Booth is where modern ease meets everyday durability. Designed with clean lines and a soft, inviting silhouette, this booth brings elevated comfort to high-traffic spaces without feeling fussy. The rounded seat and supportive backrest encourage guests to settle in, while the tambour wood paneling adds a subtle architectural detail that stands out without stealing the show.

Built for commercial environments, the Tulum Booth delivers long-lasting performance with custom upholstery and a sturdy structure.
